17th edition

High-Level Parallel Programming and Applications Symposium

WHERE   Pisa, Italy

WHEN   July 4-5, 2024

Submission: **April 12, 2024**
Notification: **May 24, 2024**

WHAT

We invite papers on topics related to all aspects of parallel programming with a focus on high-level approaches and methodologies.

➤ **Up to 20 pages** including figures, tables, and references.
➤ Each paper will be **peer-reviewed by at least three reviewers** (single-blind).

POST SYMPOSIUM JOURNAL PUBLICATION

Authors of accepted papers will be invited to submit their work to the Spinger-Nature **International Journal of Parallel Programming** (IJPP) Special Issue of the HLPP 2024 symposium.

The Special Issue has already been confirmed: **September 2024**
